# PLOT SUMMARY

Jackson Birkman has the perfect life: the lead role on the popular detective show “Dispatching David,” millions of adoring fans, celebrity status, and a beautiful girlfriend. After five seasons, “Dispatching David” has just been cancelled. With the final episode quickly approaching, Jackson is worried about more than just his future acting career. His once massive fortune is dwindling and his girlfriend Clara is pressuring him to propose.

When Jackson unexpectedly dies on the set of the TV show during filming, everyone speculates whether it was suicide or murder. Why would Jackson commit suicide? If it was a setup, who would want Jackson to die? And most importantly, what was the motive of the murderer? As the investigation continues, Officer Wilson inches closer to the truth, uncovering Jackson’s secrets. She begins to think no one really knew Jackson at all, but is determined to solve the case, no matter the cost.

# Book Reviews

"This book would be good for anyone who loves a murder, thriller, and crime as it has all of these genres all in one book. I also really hope this has a sequel in the works as I definitely think it needs one after the ending!!"

-Becca Harris, Love Books Tours Book Reviewer

"I could NOT put this down! The writing style was amazing, the characters were great, and I am going to keep re-reading this for years to come!"

-Hillary Waldron, Amazon Review

"Fantastically written novel full of twists and turns. From the very beginning you're sucked in and find yourself questioning everything you've been told in order to crack the case yourself."

-Chelsea, Goodreads Review

"I loved the ending and do hope the open ended cliff hanger is fulfilled! Loved the writing style, basic and easy to understand which leaves the story and the plot as the main focus."

-Bryony S., Goodreads review
